

Do You Realize??

The Flaming Lips

C Em Am D

Do you realize that you have the most beautiful face

Do you realize we're floating in space,

Do you realize that happiness makes you cry

Do you realize that everyone you know someday

will die

And instead of saying all of your goodbyes, let them know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning

Do you realize, oh

Do you realize that everyone you know

Someday will die

And instead of saying all of your goodbyes, let them know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning

Do you realize that you have the most beautiful face

Do you realize
