For simplicity I use C9 where the chord is
     actually Bb6-5 (ie. Bb6 with a flattened 5th).
On the lyric "sometime", you can play the riff
                            below.

```
   Bb6          C9
A| 1------ ----(1)
E| 1------ --1-(0)
C| 2------ -2--(2)
G| 0------ ----0-
   Sometime
```
