G
History never repeats
I tell myself before I go to sleep A
Don't say the words you might regret G
I've lost before you know I can't forget A

Am Em G
There was a girl I used to know
Dm Am Em G
She dealt my love a savage blow
Dm Am Em G
I was so young, too blind to see
Dm F G C
But anyway that's history (I say)

G
History never repeats
I tell myself before I go to sleep A
Don't say the words you might regret G
I've lost before you know I can't forget A

Am Em G
You say I always played the fool
Dm Am Em G
I can't go on, if that's the rule
Dm Am Em G
Better to jump than hesitate
Dm F G C
I need a change and I can't wait

G
History never repeats
I tell myself before I go to sleep A
And there's a light shining in the dark G
Leading me on towards a change of heart (a ha) A

G
History never repeats, history never repeats

G Am Em G
Deep in the night it's all so clear
Dm Am Em G
I lie awake with great ideas
Dm Am Em G
Lurking about in no-man's land
Dm F G C
I think at last I understand

G
History never repeats
I tell myself before I go to sleep A
And there's a light shining in the dark G
Leading me on towards a change of heart (a ha) A

Never repeats...
