Life's a piece of cake with someone to give and someone to take
Life's a piece of pie with someone to wash and someone to dry
Life's an easy road with someone beside you to share the load
Life is full of highs with someone to stir and someone to fry
Life's a leg of lamb with someone there to lend a hand
Life's a bunch of flowers with someone to while away the hours
Life's a fillet of fish yes it is
