

Live It Up

Andrew "Greedy" Smith, Mental as Anything

G
How can you see looking through those tears?
Em
Don't you know you're worth your weight in gold?
D
I can't believe that you're alone in here
C
Let me warm your hands against the cold

G
A close encounter with a hardhearted man
Em
Who never gave half of what he got
D
Has made you wish that you'd never been born
C
That's a shame 'cause you got the lot

G **Em D**
Hey yeah, you with the sad face
D C
Come up to my place and live it up
G **Em D**
You beside the dance floor
D C **G**
What do you cry for, let's live it up

G
If you smiled the walls would fall down
Em
On all the people in this pickup joint
D
But if you laughed you'd level this town
C
Hey lonely girl, that's just the point

G **Em D**
Hey yeah, you with the sad face
D C
Come up to my place and live it up
G **Em D**
You beside the dance floor
D C **G**
What do you cry for, let's live it up

F# **Bm**
Just answer me the question why
C
You stand alone by the phone
D
In the corner and cry, baby
