One Perfect Day Little Heroes

G Em
One perfect day we'll be out walking
C G
Something is calling me, woah-oh
Em
This perfect day I can't stop thinking
C G
Are you over there, are you happy there?

And tell me

Em7

If it's still raining there in England

And tell me what you did last night

And tell me

Em7

If it's still raining there in England

Adventures so hard to come by

G

If you ever come back just drop by

Em7

One perfect day
