Across The Universe
The Beatles

**Intro x2**

C5 Em Dm7 Gsus4 G

Words are flowing out like
Endless rain into a paper cup
They slither wildly as they slip away across the universe.

C5

Pools of sorrow waves of joy
Are drifting through my opened mind
Possessing and caressing me.

C5

Jai Guru Deva. Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light, which
Dance before me like a million eyes,
They call me on and on across the universe.

Thoughts meander like a
Restless wind inside a letter box
They tumble blindly as they make their way across the universe.

C5

Sounds of laughter, shades of life
Are ringing through my opened ears
Inciting and inviting me.

Limitless undying love, which
Shines around me like a million suns,
It calls me on and on across the universe

Well, I dreamed I saw the knights
In armor coming,
Saying something about a queen.

There were peasants singing and
Drummers drumming
And the archer split the tree.

There was a fanfare blowing
To the sun
That was floating on the breeze.

Look at Mother Nature on the run
In the nineteen seventies.

I was lying in a burned out basement
With the full moon in my eyes.
I was hoping for replacement
When the sun burst thru the sky.

And I felt like getting high.
I was thinking about what a
Friend had said
I was hoping it was a lie.

Well, I dreamed I saw the silver
Space ships flying
In the yellow haze of the sun,

There were children crying
And colors flying

All around the chosen ones.

All in a dream, all in a dream
The loading had begun.

Along The Road To Gundagai
Jack O'Hagen

There's a scene that lingers in my memory
Of an old bush home and friends I long to see
That's why I am yearning
Just to be returning
Along the road to Gundagai

Chorus
There's a track winding back
To an old-fashioned shack
Along the road to Gundagai
Where the blue gums are growing
And the Murrumbidgee's flowing
Beneath that sunny sky
Where my daddy and mother
Are waiting for me
And the pals of my childhood
Once more I will see.
Then no more will I roam,
When I'm heading right for home
Along the road to Gundagai.

When I get back there I'll be a kid again
Oh, I'll never have a thought of grief or pain
Once more I'll be playing
Where the gums are swaying
Along the Road to Gundagai

Chorus

American Tune
Paul Simon

Many's the time I've been mistaken
And many times confused
Yes, and often felt forsaken
Oh, but I'm all right, I'm all right
I'm just weary to my bones
Still, you don't expect to be
So far away from home
So far away from home

I don't know a soul who's not been battered
I don't have a friend who feels at ease
I don't know a dream that's not been shattered
Or driven to its knees
Oh, but its all right, its all right
For we lived so well so long
Still, when I think of the road we're traveling on
I can't help it, I wonder what's gone wrong

And I dreamed I was dying
And looking back down at me smiled reassuringly
And high up above my eyes could clearly see
Sailing away to sea
And I dreamed I was flying
And I dreamed I was flying

We come on the ship they call the Mayflower
We come on the ship that sailed the moon
We come in the age's most uncertain hours

Oh, and its all right, its all right
You can't be forever blessed
Still, tomorrow's going to be another working day
And I'm trying to get some rest
That's all I'm trying to get some rest

And sing an American tune
And So It Goes
Billy Joel

Out where the river broke
The bloodwood and the desert oak
Holden wrecks and boiling diesels
Steam in forty five degrees

The time has come to say fair's fair
To pay the rent, to pay our share
The time has come, a fact's a fact
It belongs to them, let's give it back

How can we dance when our earth is turning
How do we sleep while our beds are burning

Four wheels scare the cockatoos
From Kintore East to Yuendemu
The western desert lives and breathes
In forty five degrees

Being For The Benefit Of Mr. Kite
Lennon / McCartney

Bb6 A7 Dm G7

For the benefit of Mister Kite
There will be a show tonight on trampoline

The Hendersons will all be there
Late of Pablo Fanques Fair, what a scene

Over men and horses hoops and garters
Lastly through a hogshead of real fire
In this way Mister K will challenge the world

The celebrated Mister K
Performs his feat on Saturday at Bishopsgate

The Hendersons will dance and sing
As Mister Kite flys through the ring, don't be late

Messrs. K and H assure the public
Their production will be second to none
And of course Henry The Horse dances the waltz

The band begins at ten to six
When Mister K performs his tricks without a sound
And Mister H will demonstrate
Ten somersets he'll undertake on solid ground

Having been some days in preparation
A splendid time is guaranteed for all
And tonight Mister Kite is topping the bill

Blues My Naughty Sweetie Gives To Me
Carey Morgan, Arthur Swanstone, Charles McCarron

There are blues that you get from worry
There are blues that you get from pain
There are blues when you're lonely for your one and only
Those blues you can never explain
There are blues that you get from longing
But the bluest blues that be
Are the only blues that's on my mind, they're the very meanest kind
The blues my naughty sweetie gives to me

There are blues you get from wimmin when you see 'em goin' swimmin'
And you haven't got a bathing suit yourself
There are blues you get much quicker when you hide a lot of liquor
And somebody goes and swipes it off the shelf
There are blues that come from waitin' on the dock
Wondering if the boat is gonna rock
And there's blues that come from gettin' in a taxicab and frettin'
Everytime you hit a bump and jump the clock
There are blues you get from tryin' when you save a guy from dyin'
And he afterwards forgets you in his will
But the blues much worse than this is when you're walkin' with the missus
And some chorus lady shouts, "Hello there Bill!"
But the blues that make me crazy mad and sorer than a bunion
'Till I feel like goin' out and stabbin' someone with an onion
Are the blues my naughty sweetie gives to me

There are blues that you get from worry
There are blues that you get from pain
There are blues when you're single and just want to mingle
And blues when you have to abstain
There are blues that you get from sleepless nights

But the bluest blues to me
Are the blues that make me hot and cold and make me want to shiver
And make me want to end it all by jumping in the river
Are the blues my naughty sweetie gives to me, gives to me
The blues my naughty sweetie gives to me

Changes
David Bowie

I still don't know what I was waiting for
And my time was running wild
A million dead-end streets and
every time I thought I'd got it made
It seemed the taste was not so sweet
So I turned myself to face me
But I've never caught a glimpse
Of how the others must see the faker
I'm much too fast to take that test

Ch-ch-ch-changes
(Turn and face the strange)

Ch-ch-changes
Don't want to be a richer man

Ch-ch-ch-changes
(Turn and face the strange)

Ch-ch-ch-changes
Just gonna have to be a different man

Time may change me but I can't trace time

I watch the ripples change their size
But never leave the stream
Of warm impermanence and
So the days float through my eyes
But still the days seem the same
And these children that you spit on
As they try to change their worlds
Are immune to your consultations
They're quite aware of what they're going through

Ch-ch-ch-changes
(Turn and face the strange)

Ch-ch-changes
Don't tell them to grow up out of it
Ch-ch-ch-changes

Cheap Wine  
Don Walker, Cold Chisel

Once I smoked a Danneman cigar,
I drove a foreign car.
But baby that was years ago;
I left it all behind,
I left it all behind, for my
Cheap wine and a three-day growth,
Cheap wine and a three-day growth,
Come on, come on, come on,
I don't mind takin' charity,
From those that I despise,
Baby I don't need your love
I don't need your love.
Baby you can shout at me,
But can't meet my eyes,
I don't really need your love,
I don't need your love. I got my
Cheap wine and a three-day growth,
Cheap wine and a three-day growth,
Come on, come on, come on,

Bridge
Sitting on a beach drinkin' rocket fuels, oh yeah!
Spent the whole night breaking all the rules, oh yeah!
Mendin' every minute of the day before,
Watching the ocean, watching the shore,
Watching the sunrise and thinkin' there could never
be more,

Never be more, yeah!

Gm       C
City of stars

Are you shining just for me?

Gm       C
City of stars

There's so much that I can't see

Who knows?

I felt it from the first embrace I shared with you

That now our dreams

They've finally come true

Gm       C
City of stars

Just one thing everybody wants

Gm       C
There in the bars

And through the smokescreen of the crowded restaurants

It's love

Yes, all we're looking for is love from someone else

A rush, a glance

A touch, a dance

A look in somebody's eyes

To light up the skies

To open the world and send it reeling

A voice that says, I'll be here

And you'll be alright

I don't care if I know

Just where I will go

'Cause all that I need's this crazy feeling

A rat-tat-tat on my heart

Think I want it to stay

City of stars

Are you shining just for me?

You never shined so brightly

He came one day, I don't know where from
His eyes were laughing, his heart a song
He took me from the city, we went outside
Out to the desert, I lay down like a child
He touched my head, I started to cry
There were no reasons, I couldn't say why
Felt like there were angels flying 'round my head
The glory of love shone down on my bed
We are angels
We've forgotten these things
Trailing clouds of glory
We've broken our wings
We flew over strange mysterious places
Saw wonders of nature not made of hand
Inside a power, a river unseen
Flowed like the breath that turns a great wheel
Like beggars, lovers, dreamers and kings
Our forms they change into all of these things
Inside a power, a river unseen
Flowed like the breath that turns a great wheel
We are angels
We've forgotten these things
Trailing clouds of glory

Coming Down
Ball Park Music

Intro
Eb Bb Eb Bb
Gm C Eb Bb

The chefs are in the alleyway throwing down
They're high on PCP when I'm around
They don't recall a thing or their favourite meal
'Til they are coming down

You smack me in the eyes and take my sight
You cut my world in half, baby - you're my knife
I bag a lazy spine I can take my life
When I am coming down

You amputate my hands and they grow back
There's phantoms to replace the world I had
I'm too lazy to invent a brand-new myth
When I am coming down

The scenery of saints in stained-glass walls
You get a little badge and you stand tall
You're knee-deep in this shit of suburban sprawl
When you are coming down

Oh you are coming down

So suck the monophonic noise of golden hits
They write them in two seconds, it's a piece of piss
I let a little love slip from my lips
When I am coming down

Yeah I am coming down

Oh I am coming down

You've got a soft-spot for hard stuff

Gm C Eb7 Bb

You've got a soft-spot for hard stuff

When you are coming down

Yeah you are coming down

Oh you are coming down
Cootamundra Wattle
John Williamson

Don’t go lookin’ through that old camphor box
You know those old things only make you cry
When you dream upon that little bunny rug
It makes you think that life has passed you by
There are days when you wish the world would stop
But then you know some wounds would never heal
But when I browse the early pages of the children
It's then I know exactly how you feel.

Hey it’s July and the winter sun is shining
And the Cootamundra wattle is my friend
For all at once my childhood never left me
‘Cause wattle blossoms bring it back again

It’s Sunday and you should stop the worry woman,
Come out here and sit down in the sun
Can’t you hear the magpies in the distance?
Don’t you feel the new day has begun?
Can’t you hear the bees making honey woman
In the spotted gums where the bellbirds ring?
You might grow old and bitter cause you missed it
You know some people never hear such things

Hey it’s July and the winter sun is shining
And the Cootamundra wattle is my friend
For all at once my childhood never left me
‘Cause wattle blossoms bring it back again

Don’t buy the daily papers any more woman
Read all about what’s going on in hell
They don’t care to tell the world of kindness
Good news never made a paper sell.

The alternative fingering for C flows nicely into Cm.

Dedicated To The One I Love
Bass/Pauling (The Mamas and the Papas)

Dsus4 D

While I'm far away from you my baby
I know it's hard for you my baby
Because it's hard for me my baby
And the darkest hour is just before dawn

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love

I could be satisfied knowing you love me
(and there's one thing I want you to do especially for me)

And it's something that everybody needs

If there's one thing I want you to do especially for me

And it's something that everybody needs

This is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love

Distant Sun
Crowded House

Tell me all the things you would change
I don't pretend to know what you want
When you come around and spin my top
Time and again, time and again

No fire where I lit my spark
I am not afraid of the dark
Where your words devour my heart
And put me to shame, put me to shame

When your seven worlds collide
Whenever I'm by your side
And dust from a distant sun
Will shower over everyone

You're still so young to travel so far
Old enough to know who you are
Wise enough to carry the scars
Without any blame, there's no one to blame

It's easy to forget what you learned
Waiting for the thrill to return
Feeling your desire burn
And drawn to the flame

And I'm lying on the table
Washed out in a flood
Like a Christian fearing vengeance from above
I don't pretend to know what you want

Don't Know Why
Jesse Harris, sung by Norah Jones

I waited 'til I saw the sun
I don't know why I didn't come
I left you by the house of fun
I don't know why I didn't come
When I saw the break of day
I wished that I could fly away
Instead of kneeling in the sand
Catching teardrops in my hand

My heart is drenched in wine
But you'll be on my mind
Forever

Out across the endless sea
I would die in ecstasy
But I'll be a bag of bones
Driving down the road alone

My heart is drenched in wine
But you'll be on my mind
Forever

Something has to make you run
I don't know why I didn't come
I feel as empty as a drum
I don't know why I didn't come
I don't know why I didn't come
I don't know why I didn't come

Success has been so easy for you

You think you've changed your mind

I still love you
But now I think it's time I lived my life on my own
I guess it's just what I must do

Dragons Fly
Simon Nield

Into the blue on a Summer day
Sun beams dance under the waves
Gliding by on geisha fans
There are dragons flying over the sand
On the salty air the church bells ring
Calling the faithful to rise up and do their thing
I go down to the edge of the land
See the dragons flying over the sand

Chorus
Dragons fly
Every kid knows that dragons fly
It's all in the way that you use your eyes
Everything is something else in disguise
If you can't imagine you can't see
These dragons fly so delicately

So if you're waiting for a miracle to appear
Come down to the ocean and I'll show you one, that's already here
What more do you need to understand?
There are dragons flying over the sand

Chorus
Dragons fly

Everything is something else in disguise
If you can't imagine you can't see

Every Breath You Take
The Police

Every breath you take and every move you make
Every bond you break, every step you take, I'll be watching you
every single day and every word you say
every game you play, every night you stay, I'll be watching you.

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Every move you make, every vow you break
Every smile you fake, every claim you stake, I'll be watching you

Bridge
Since you've gone I've been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying, "Baby, baby, please"

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Outtro
I'll be watching you
Every move you make, every step you take
I'll be watching you

It was Christmas eve babe in the drunk tank
An old man said to me: won't see another one
And then they sang a song: the Rare Old Mountain Dew
I turned my face away and dreamed about you
Got on a lucky one, came in eighteen to one
I've got a feeling this year's for me and you
So happy Christmas, I love you baby
I can see a better time when all our dreams come true
They got cars big as bars, they got rivers of gold
But the wind goes right through you it's no place for the old
When you first took my hand on a cold Christmas eve
You promised me Broadway was waiting for me
You were handsome you were pretty, queen of New York city
When the band finished playing they howled out for more
Sinatra was swinging all the drunks they were singing
We kissed on a corner then danced through the night
And the boys from the NYPD choir were singing Galway Bay

Girls In Our Town
Bob Hudson

Girls in our town, they just haven't a care
You see them on Saturday floating on air
Painting their toenails and washing their hair
Maybe tonight it'll happen

Girls in our town they leave school at fifteen
Work at the counter or behind the machine
And spend all their money on making the scene
They plan on going to England

Girls in our town go to parties in pairs
Sit 'round the barbecue, give themselves aires
Then they go to the bathroom with their girlfriend
who cares

Girls in our town are so lonely
Girls in our town are too good for the pill
But if you keep asking they probably will
Sometimes they like you or else for the thrill
And explain it away in the morning

Girls in our town get no help from their men
No one can let them be sixteen again
Things might get better but it's hard to say when
If they only had someone to talk to

Girls in our town can be saucy and bold
At seventeen, no one is better to hold
Then they start havin' kids, start gettin' old
Girls in our town...

Girls in our town

The Glory Of Love
Billy Hill

You've got to give a little, take a little
And let your poor heart break a little
That's the story of, that's the glory of love

You've got to laugh a little, cry a little
Until the clouds roll by a little
That's the story of, that's the glory of love

As long as there's the two of us
We've got the world and all its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of love

As long as there's the two of us
We've got the world and all its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of love

Hang On Little Tomato
Pink Martini

The sun has left and forgotten me
It's dark, I cannot see
Why does this rain pour down
I'm gonna drown in a sea
Of deep confusion

Somebody told me, I don't know who
Whenever you are sad and blue
And you're feelin' all alone and left behind
Just take a look inside and you will find

You gotta hold on, hold on through the night
Hang on, things will be all right
Even when it's dark
And not a bit of sparkling
Sing-song sunshine from above
Spreading rays of sunny love

Just hang on, hang on to the vine
Stay on, soon you'll be divine
If you start to cry
look up to the sky
Something's coming up ahead
To turn your tears to dew instead

And so I hold on to this advice
When change is hard and not so nice
If you listen to your heart the whole night through
Your sunny someday will come one day soon to you

Here's a Health To The Company
Irish Traditional

Kind friends and companions, come join me in rhyme
Come lift up your voices in chorus with mine
Come lift up your voices, all grief to refrain
For we may or might never all meet here again

Chorus
Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may or might never all meet here again

Here's a health to the dear lass that I love so well
For style and for beauty there's none can excel
There's a smile on her countenance as she sits on my knee
There's no man in this wide world as happy as me

Chorus
Our ship lies at anchor, she is ready to dock
I wish her safe landing without any shock
And if ever I should meet you by land or by sea
I will always remember your kindness to me

Hey Rain (The Innisfail Rain Song)

Bill Scott

Hey Rain, rain coming down on the cane,
On the roofs of the town.
Rain in my hair, rain in my face
Muddy old Innisfail's a muddy wet place,
Hey rain, hey rain.

Bloke from the west nearly died of fright
'cause the river rose thirty-five feet last night,
Hey rain, hey rain.

Johnson River crocodile living in me fridge,
and a bloody great tree on the Jubilee Bridge,
Hey rain, hey rain.

Hey Rain, rain coming down on the cane,
On the roofs of the town.
Rain in my beer, rain in my grub,
and they've just fitted anchors to the Garradunga Pub,
Hey rain, hey rain.

Wet season skies have sprung a leak
from Flying Fish point to the Millstream Creek,
Hey rain, hey rain.

Wet season sky so black and big,
and an old flying fox in a Moreton Bay fig,
Hey rain, hey rain.

Hey Rain, rain coming down on the cane,
On the roofs of the town.
It's the worst wet season we've ever had;
I'd swim down to Tully - but it's just as bloody bad,
Hey rain, hey rain.

Hey Rain, rain coming down on the cane,
On the roofs of the town.

I Don't Know Enough About You
Peggy Lee and Dave Barbour

I know a little bit about a lot of things
But I don't know enough about you

Just when I think you're mine
You try a different line
And baby what can I do?

I read the latest news
No buttons on my shoes
But baby I'm confused about you

You get me in a spin
Oh what a stew I'm in
'Cause I don't know enough about you

Jack of all trades master of none
And isn't it a shame
I'm so sure that you'd be good for me
If you'd only play my game

You know I went to school
And I'm nobody's fool
That is to say until I met you
I know a little bit about a lot of things
But I don't know enough about you

I know a little bit about biology
And a little more about psychology

I Was Only Nineteen
John Schumann (Redgum)

ACGDAAGA
Mum and Dad and Denny saw the passing-out parade at Puckapunyal.
It was a long march from cadets.
The sixth battalion was the next to tour, and it was me who drew the card.
We did Canungra, Shoalwater before we left.
And Townsville lined the footpaths as we marched down to the quay.
This clipping from the paper shows us young and strong and clean.
And there's me in me slouch hat with me SLR and greens.
God help me, I was only nineteen.
From Vung Tau, riding Chinooks, to the dust at Nui Dat.
I'd been in and out of choppers now for months.
But we made our tents a home, VB and pinups on the lockers.
And an asian orange sunset through the scrub.
And can you tell me, doctor, why I still can't get to sleep?
And why the Channel Seven chopper chills me to my feet?
And what's this rash that comes and goes, can you tell me what it means?
God help me, I was only nineteen.

ACGDAAGA

ACGDA
I can still see Frankie, drinking tinnies in the Grand Hotel.
On a thirty-six hour rec leave in Vung Tau.
And I can still hear Frankie, lying screaming in the jungle.
Til the morphine came and killed the bloody row.
And the Anzac legends didn't mention mud and blood and tears.
And the stories that my father told me never seemed quite real.
I caught some pieces in my back that I didn't even feel.
God help me, I was only nineteen.

ACGDAAGA

A four week operation when each step could mean your last one on two legs.
It was a war within yourself.
But you wouldn't let your mates down til they had you dusted off.
So you closed your eyes and thought about something else.
Then someone yelled out "Contact!" and the bloke behind me swore.

I'm Gonna Be (500 Miles)
The Proclaimers

When I wake up yeah I know I'm gonna be
I'm gonna be the man who wakes up next to you
When I go out yeah I know I'm gonna be
I'm gonna be the man who goes along with you

If I get drunk yes I know I'm gonna be
I'm gonna be the man who gets drunk next to you
And if I haver yeah I know I'm gonna be
I'm gonna be the man who's haverin' to you

But I would walk five hundred miles
And I would walk five hundred more
Just to be the man who walked a thousand miles
To fall down at your door

When I'm working yes I know I'm gonna be
I'm gonna be the man who's working hard for you
And when the money comes in for the work I'll do
I'll pass almost every penny on to you

When I come home yeah I know I'm gonna be
I'm gonna be the man who comes back home to you
And if I grow old well I know I'm gonna be
I'm gonna be the man who's growing old with you

Chorus
But I would walk five hundred miles
And I would walk five hundred more
Just to be the man who walked a thousand miles
To fall down at your door

When I'm lonely yes I know I'm gonna be
I'm gonna be the man whose lonely without you
When I'm dreaming yes I know I'm gonna dream
Dream about the time when I'm with you.

Let Her Go
Michael Rosenberg (Passenger)

Intro (twice)

Well you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home

And you let her go

C

Staring at the bottom of your glass
Hoping one day you'll make a dream last
But dreams come slow and they go so fast
You see her when you close your eyes
Maybe one day you'll understand why
Everything you touch surely dies

But you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low

And you let her go

Em C

C

Staring at the ceiling in the dark
Same old empty feeling in your heart
'Cause love comes slow and it goes so fast
Well you see her when you fall asleep
But never to touch and never to keep
'Cause you loved her too much and you dive too deep

Well you only need the light when it's burning low

A6no5 A C G

If you, if you could return
Don't let it burn
Don't let it fade
I'm sure I might be rude
But it's just your attitude
It's tearing me apart
It's ruining every day

And I swore, I swore I would be true
And honey, so did you
So why were you holding her hand?
Is that the way we stand?
Were you lying all the time?
Was it just a game to you?

But I'm in so deep
You know I'm such a fool for you
You've got me wrapped around your finger
Do you have to let it linger?
Do you have to, do you have to, do you have to let it linger?

Oh, I thought the world of you
I thought nothing could go wrong
But I was wrong, I was wrong

If you, if you could get by
Trying not to lie
Things wouldn't be so confused
And I wouldn't feel so used
But you always really knew
I just want to be with you

But I'm in so deep
You know I'm such a fool for you
You've got me wrapped around your finger
Do you have to let it linger?

The Logical Song
Rick Davies / Roger Hodgson

When I was young
It seemed that life was so wonderful
A miracle oh it was beautiful magical
And all the birds in the trees
Well they'd be singing so happily
Joyfully oh playfully watching me
But then they send me away
To teach me how to be sensible
Logical oh responsible practical
And then they showed me a world
Where I could be so dependable
Clinical intellectual cynical

There are times when all the world's asleep
The questions run too deep for such a simple man
Won't you please please tell me what we've learned
I know it sounds absurd but please tell me who I am
I say now watch what you say
Or they'll be calling you a radical
Liberal, fanatical, criminal
Won't you sign up your name
We'd like to feel you're acceptable
Respectable, presentable, a vegetable

(Take it take it take it)

At night when all the world's asleep
The questions run so deep for such a simple man
Won't you please please tell me what we've learned
I know it sounds absurd but please tell me who I am
Who I am who I am who I am

Never been near a university
Never took a paper or a learned degree
And some of your friends think that's stupid of me
But it's nothing that I care about

Well I don't know how to tell the weight of the sun
And of mathematics well I want none
And I may be the Mayor of Simpleton
But I know one thing and that's I love you

When their logic grows cold and all thinking gets done
You'll be warm in the arms of the Mayor of Simpleton

I can't have been there when brains were handed round
(And anyway...)

Well I don't know how to write a big hit song
And all crossword puzzles well I just shun
And I may be the Mayor of Simpleton
But I know one thing and that's I love you

I'm not proud of the fact that I never learned much
Just feel I should say
What you get is all real, I can't put on an act
It takes brains to do that anyway (And anyway...)

And I can't unravel riddles, problems and puns

How the home computer has me on the run
And I may be the Mayor of Simpleton
But I know one thing and that's I love you

If depth of feeling is a currency
(Please be upstanding for the Mayor of Simpleton)
Then I'm the man who grew the money tree
(No chain of office and no hope of getting one)
Some of your friends are too brainy to see
That they're paupers and that's how they'll stay

Well I don't know how many pounds make up a ton
Of all the Nobel prizes that I've never won
And I may be the Mayor of Simpleton
But I know one thing and that's I love you

When their logic grows cold and all thinking gets done
You'll be warm in the arms of the Mayor of Simpleton

You'll be warm in the arms of the Mayor...

And I can't unravel riddles, problems and puns

Merry Christmas Everybody
Slade

Are you hanging up the stocking on the wall?
It's the time that every Santa has a ball?
Does he ride a red-nosed reindeer?
Does a ton-up on his sleigh?
Do the fairies keep him sober for a day?

So here it is, Merry Christmas
Everybody's having fun
Look to the future now, it's only just begun

Are you waiting for the family to arrive?
Are you sure you've got the room to spare inside?
Does your granny always tell ya
That the old songs are the best?
Then she's up and rock and rollin' with the rest

So here it is, Merry Christmas
Everybody's having fun
Look to the future now, it's only just begun

What will your daddy do when he sees your Mamma kissin' Santa Claus? Ah-haaa–aa

Are you hanging up the stocking on the wall?
Are you hoping that the snow will start to fall?
Do you ride on down the hillside
In a buggy you have made?
When you land upon your head then you bin' slayed!

So here it is, Merry Christmas
Everybody's having fun
Look to the future now, it's only just begun

Mississippi Mud
Harry Barris / James Cavanaugh

When the sun goes down the tide goes out
The people gather round and they all begin to shout
Hey hey Uncle Dud
It's a treat to beat your feet on the Mississippi mud

What a dance do they do
Lordy how I'm telling you
They don't need no band
They keep time by clapping their hands
Just as happy as a cow chewing on a cud
When the people beat their feet on the Mississippi mud

Joy the music thrills me
Boy it nearly kills me
What a show when they go
Say they beat up either fast or slow
When the sun goes down the tide goes out
The people gather round and they all begin to shout
Hey hey Uncle Dud
It's a treat to beat your feet on the Mississippi mud

Lordy how I'm telling you
They don't need no band

It must have been moonglow,

It must have been moonglow

My Island Home
Warumpi Band (Neil Murray)

Six years I've been in the desert
And every night I dream of the sea
They say home is where you find it
Will this place ever satisfy me

For I come from the salt water people
We always live by the sea
Now I'm out here west of Alice Springs
With a wife and the family

Chorus
and My island home My island home
My island home is waiting for me
My island home My island home
My island home is waiting for me

Bridge
In the evening the dry wind blows
From the hills and across the plain
I close my eyes and I am standing
In a boat on the sea again
And I'm holding that long turtle spear
And I feel I'm close now to where it must be
My island home is waiting for me

For I come from the salt water people
We always live by the sea
My island home My island home
My island home is waiting for me

The New Australian National Anthem

Sensitive New Age Cowpersons

Once a jolly swagman camped by a billabong
Under the shade of a coolibah tree
But no matter how far or wide I may roam
I still call Australia fair

Waltzing Matilda
In there and fight
With Skippy, the bush kangaroo
Skippy, True Blue
God save our Queen
In joyful strains then let us sing
Skippy, the bush kangaroo
We are one, but we are ma-ny
That's when neighbours become good friends

True Blue

God help me, I was only nineteen

Octopus' Garden
Beatles (Ringo Starr)

I'd like to be under the sea
In an octopus' garden in the shade

In his octopus' garden in the shade

I'd ask my friends to come and see
An octopus' garden with me
I'd like to be under the sea
In an octopus' garden in the shade.

We would be warm below the storm
In our little hideaway beneath the waves
Resting our head on the sea bed
In an octopus' garden near a cave

We would sing and dance around
because we know we can't be found
I'd like to be under the sea
In an octopus' garden in the shade

We would shout and swim about
The coral that lies beneath the waves
(Lies beneath the ocean waves)
Oh what joy for every girl and boy
Knowing they're happy and they're safe
(Happy and they're safe)

We would be so happy you and me
No one there to tell us what to do

I don't know what I'm supposed to do
I can only stay one step ahead of you

I don't know where I'm going

Dear Sir or Madam, will you read my book?
It took me years to write, will you take a look?
It's based on a novel by a man named Lear
And I need a job, so I want to be a paperback writer,
Paperback writer.

It's the dirty story of a dirty man
And his clinging wife doesn't understand.
His son is working for the Daily Mail,
It's a steady job but he wants to be a paperback writer,

I can make it longer if you like the style,
I can change it round and I want to be a paperback writer,

If you really like it you can have the rights,
It could make a million for you overnight.
But I need a break and I want to be a paperback writer,

For an easier version, leave out the C7sus4 chord

The Party
Regina Spektor

You're like a party somebody threw me
You taste like birthday
You look like New Years
You're like a big parade through town
You leave such a mess but you're so fun

Tell all the neighbors to start knocking down walls
To grab their guitars and run out to the hall
And we'll be coming out right along
to sing them our new song

For every place there is a bus
That'll take you where you must
Start counting all your money and friends
before you come back again

For every road we can't retrace
For every memory we can't face
For every name that's been erased
Let's have another round

May I propose a little toast?
For all the ones who hurt the most
For all the friends that we have lost
Let's give them one more round of applause

But You're like a party somebody threw me
You taste like birthday
You look like New Years
You're like a big parade through town
You leave such a mess but you're so fun
Pastime With Good Company
Henry Tudor VIII

Pastime with good company
I love and shall until I die
Grudge who lust but none deny
So God be pleased thus live will I
For my pastance
Hunt sing and dance
My heart is set
All goodly sport
For my comfort
Who shall me let?

Youth must have some dalliance
Of good or ill some pastance
Company methinks then best
All thoughts and fancies to digest.
For idleness
Is chief mistress
Of vices all
Then who can say
But mirth and play
Is best of all

Company with honesty
Is virtue vices to flee.
Company is good and ill
But every man has his free will.
The best ensue
The worst eschew
My mind shall be
Virtue to use
Vice to re - fuse
Thus shall I use me
Got a pinch of tobacco in my pocket
I'm not gonna roll it no I'm not gonna smoke it
'Til we're staring at the stars and the rockets
Twinkling in the silvery night
Two sips of whiskey in the flask but
I'm not gonna drink it I swear I'll make it last
'til we're drinking out of the same glass again
And though the sun may be washed by the sea
And the old will be lost in the new
Four will not wait for three
For three never waited for two
And though you will not wait for me
I'll wait for you
Got a Polaroid picture in my wallet,
I'm not gonna tear it no I'm not gonna spoil it
it's an unspoken heartbreak, a heartbroken handshake
I take with me where I go
Three words on the tip of my tongue not to be
spoken or sung or to be whispered to anyone 'til
I'm screaming at the top of my lungs again
And though the sun may be washed by the sea
And the old will be lost in the new
Four will not wait for three
For three never waited for two
And though you will not wait for me
I'll wait for you

Reminiscing
Little River Band (Graeham Goble)

Friday night it was late I was walking you home

We got down to the gate and I was dreaming of the night

Would it turn out right

How to tell you girl

I wanna build my world around you

Tell you that it's true

I wanna make you understand

I'm talking about a lifetime plan

That's the way it began we were hand in hand

Glenn Miller's band was better than before

We yelled and screamed for more

And the Porter tune (Night and Day)

Made us dance across the room

It ended all too soon

And on the way back home

I promised you'd never be alone

Hurry don't be late

I can hardly wait

I said to myself when we're old

We'll go dancing in the dark

Walking through the park

And reminiscing

Friday night it was late I was walking you home

Sit Down You're Rocking The Boat
Frank Loesser

Dm    Cm6
I dreamed last night I got on the boat to heaven
Dm    Cm6
And by some chance I had brought my dice along

Sittin' On The Dock Of The Bay
Otis Redding

Sittin' in the mornin' sun
I'll be sittin' when the evenin' come
Watching the ships roll in
And then I watch 'em roll away again

I'm sittin' on the dock of the bay
Watching the tide roll away
I'm just sittin' on the dock of the bay wastin' time

I left my home in Georgia
Headed for the 'Frisco bay
'Cause I've had nothing to live for
And look like nothin's gonna come my way

So I'm just gonna sit on the dock of the bay
Watching the tide roll away
I'm sittin' on the dock of the bay wastin' time

Bridge
Look like nothing's gonna change
Everything still remains the same
I can't do what ten people tell me to do
So I guess I'll remain the same

Sittin' here resting my bones
And this loneliness won't leave me alone
It's two thousand miles I roamed
Just to make this dock my home

Now I'm just gonna sit at the dock of the bay
Watching the tide roll away
Sittin' on the dock of the bay wastin' time

Six Ribbons
Jon English

If I were a minstrel I'd sing you six love songs
To tell all the world of the love that we share
If I were a merchant I'd bring you six diamonds
With six blood red roses for my love to wear
But I am a simple man, a poor common farmer
So take my six ribbons to tie back your hair

Yellow and brown, blue as the sky
Red as my blood, green as your eye
If I were a nobleman I'd bring you six carriages
With six snow white horses to take you anywhere
But I am a simple man, a poor common farmer
So take my six ribbons, to tie back your hair

Instrumental

If I were a minstrel I'd sing you six love songs
To tell all the world of the love that we share
So be not afraid my love, you're never alone love
While you wear my ribbons, tyin' back your hair
Once I was a simple man, a poor common farmer
I gave you six ribbons to tie back your hair

Tooralee, tooralie, all I can share
Is only six ribbons, to tie back your hair
Tooralee, tooralie, all I can share
I gave you six ribbons, to tie back your hair

The Snooker Song
Mike Batt

Then the Banker endorsed a blank cheque (which he crossed)
And changed his loose silver for notes
The Baker with care combed his whiskers and hair
And shook the dust out of his coats

The maker of Bonnets ferociously planned
A novel arrangement of bows
While the Billiard-marker with quivering hand
Was chalking the tip of his nose

It's only a game, so
Put up a real good fight,
I'm gonna be snookering you tonight

It's a game, so
Put up a real good fight,
I'm gonna be snookering you tonight

Repeat from "To Say it's a frame-up..."

Snookering you, Snookering you tonight!

Snookering you, Snookering you tonight!

Sonnet 18
William Shakespeare / Paul Kelly

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate

Rough winds do shake the darling buds of May
And summer's lease hath all too short a date

Sometime too hot the eye of heaven shines
And often is his gold complexion dimm'd

And every fair from fair sometime declines
By chance, or nature's changing course, untrimm'd

But thy eternal summer shall not fade
Nor lose possession of that fair thou ow'st
Nor shall Death brag thou wander'st in his shade
When in eternal lines to time thou grow'st

So long as men can breathe or eyes can see
So long lives this, and this gives life to thee

Spread A Little Happiness
Vivian Ellis

Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by

What's the use of worrying and feeling blue
When days are long keep on smiling through
Spread a little happiness till dreams come true

Surely you'll be wise to make the best of every blues day
Don't you realize you'll find next Monday or next Tuesday
Your golden shoes day

I've got a creed for every need
So easy that it must succeed
I'll set it down for you to read

Keep out the gloom, let in the sun
That's my advice for everyone
It's only once we pass this way

So day by day

Please try

What's the use of worrying and feeling blue
When days are long keep on smiling through
Spread a little happiness till dreams come true

Still The One
Johanna and John Hall

C
We've been together since way back when
Sometimes I never want to see you again
But I want you to know after all these years
You're still the one I want whisperin' in my ear

C
You're still the one I want to talk to in bed
Still the one that turns my head
We're still having fun and you're still the one

I looked at your face every day
But I never saw it 'til I went away
When winter came I just wanted to go (wanted to go)
Deep in the desert, I longed for the snow

C
You're still the one that makes me laugh
Still the one that's my better half
We're still having fun and you're still the one

C
You're still the one that makes me strong
Still the one I want to take along

Stop The Cavalry
Jona Lewie

Hey, Mr. Churchill comes over here
To say we're doing splendidly.
But it's very cold out here in the snow
Marching to and from the enemy.
Oh I say it's tough, I have had enough,
Can you stop the cavalry?

I have had to fight almost every night,
Down throughout these centuries.
That is when I say, oh yes yet again,
Can you stop the cavalry?

Mary Bradley waits at home,
In the nuclear fallout zone.
Wish I could be dancing now,
In the arms of the girl I love.

Dub-a-dub-a-dum-dum
Dub-a-dub-a-dum
Dub-a-dub-a-dum-dub-a-dum
Dub-a-dub-a-dum
Dub-a-dub-a-dum-dub-a-dum
Dub-a-dub-a-dum
Dub-a-dub-a-dum

Mary Bradley waits at home,
She's been waiting two years long.
Wish I was at home for Christmas.

Bang goes another bomb on another town
While the Czar and Jim have tea.

If I get home, live to tell the tale,
I'll run for all presidencies.
If I get elected I'll stop
I will stop the cavalry.
Stuck In The Middle With You
Gerry Rafferty/Joe Egan (Stealers Wheel)

Well I don't know why I came here tonight,
I got the feeling that something ain't right,
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down the stairs,
Clowns to the left of me,
Jokers to the right, here I am,
Stuck in the middle with you.

Yes I'm stuck in the middle with you,
And I'm wondering what it is I should do,
It's so hard to keep this smile from my face,
Losing control, yeah, I'm all over the place,
Clowns to the left of me,
Jokers to the right, here I am
Stuck in the middle with you.

Well you started out with nothing,
And you're proud that you're a self made man,
And your friends, they all come crawlin,
Slap you on the back and say,
Please... Please...

Trying to make some sense of it all,
But I can see that it makes no sense at all,
'Cause I don't think that I can take anymore
Clowns to the left of me,
Jokers to the right, here I am
Stuck in the middle with you.

Well you started out with nothing,
And you're proud that you're a self made man,
And your friends, they all come crawlin,
Slap you on the back and say,
Please... Please...

Such Great Heights  
The Postal Service

F C
I am thinking it's a sign
That the freckles in our eyes
Are mirror images
And when we kiss they're perfectly aligned

And I have to speculate
That God Himself did make
Us into corresponding shapes
Like puzzle pieces from the clay

And true it may seem like a stretch
But it's thoughts like this that catch
My troubled head when you're away
And when I am missing you to death

And when you are out there on the road
For several weeks of shows
And when you scan the radio
I hope this song will guide you home

F C
They will see us waving from such great heights
"Come down now" they'll say
But everything looks perfect from far away
"Come down now" but we'll stay

F C
I tried my best to leave
This all on your machine
But the persistent beat
It sounded thin upon the sending

F C
And that frankly will not fly
You'll hear the shrillest highs
And lowest lows with the windows down
And this is guiding you home

F C
They will see us waving from such great heights
"Come down now" they'll say
But everything looks perfect from far away
"Come down now" but we'll stay

Early morning mid July
Anticipation's making me high
The smell of Sunday in our hair
We ran on the beach with Kennedy flair

Sweet, sweet burn of sun and summer wind
And you my friend, my new fun thing, my summer fling

Laugh, oh how we would laugh at anything
And so pretend a never ending summer fling

This uncommon kinda breeze
Did with our hearts whatever it pleased
Forsake the logic of perfect plans
A perfect moment slipped through our hands

Strange the wind can change so quickly without a word of warning
Rearrange our lives until they're torn in two

Sweet, sweet burn of sun and summer wind
And you my friend, my new fun thing, my summer fling

Laugh, oh how we would laugh at anything
And so pretend a never ending summer fling

Save me, save me, save me from this squeeze
My love throws me like a rubber ball
(Oh oh oh, the sweetest thing)
She won't catch me or break my fall
(Oh oh oh, the sweetest thing)
Baby's got blue skies up ahead
But in this I'm a rain cloud
You know she likes a dry kind of love
(Oh oh oh, the sweetest thing)

I'm losing you
I'm losing you
Ain't love the sweetest thing

I wanted to run but she made me crawl
(Oh oh oh, the sweetest thing)
Eternal fire, she turned me to straw
(Oh oh oh, the sweetest thing)
You know I got black eyes
But they burn so brightly for her
This is a blind kind of love
(Oh oh oh, the sweetest thing)

I'm losing you
Oh oh oh, I'm losing you
Ain't love the sweetest thing
(Ain't love the sweetest thing)
Aint love the sweetest thing

Blue-eyed boy meets a brown-eyed girl
(Oh oh oh, the sweetest thing)
You can sew it up but you still see the tear
(Oh oh oh, the sweetest thing)
Baby's got blue skies up ahead
But in this I'm a rain cloud
The Swimming Song
Louden Wainwright III

This summer I went swimming
This summer I might have drowned
But I held my breath and I kicked my feet
And I moved my arms around, I moved my arms
around

This summer I swam in the ocean
And I swam in a swimming pool
Salt my wounds, chlorine my eyes
I'm a self-destructive fool, I'm a self-destructive fool

This summer I did the backstroke
And you know that's not all
I did the breast stroke and the butterfly
And the old Australian crawl, the old Australian
crawl

This summer I swam in a public place
And a reservoir, to boot
At the latter I was informal
At the former I wore my suit, I wore my swimming
suit

This summer I did swan dives
And jackknives for you all
And once when you weren't looking
I did a cannonball, I did a cannonball

This summer I went swimming
This summer I might have drowned
But I held my breath and I kicked my feet
And I moved my arms around

Work like the devil for my pay
But that lucky old sun got nothin' to do

Throw Your Arms Around Me
Mark Seymour

I will come for you at night time
I will raise you from your sleep
I will kiss you in four places
As I go running along your street
I will squeeze the life out of you
You will make me laugh and make me cry
And we will never forget it
You will make me call your name
And I'll shout it to the blue summer sky

And we may never meet again
So shed your skin and let's get started
And you will throw your arms around me
Yes, you will throw your arms around me

I dreamed of you at night time
And I watched you in your sleep
I met you in high places
I touched your head and touched your feet
So if you disappear out of view
You know I will never say goodbye
And though I try to forget it
You will make me call your name
And I'll shout it to the blue summer sky

And we may never meet again
So shed your skin and let's get started
And you will throw your arms around me
Yes, you will throw your arms around me

Turn To Stone
Electric Light Orchestra

C
The city streets are empty now
(The lights don't shine no more)
And so the songs are way down low
(Turning turning)
A sound that flows into my mind
(The echoes of the daylight)
Of everything that is alive
(In my blue world.)
I turn to stone when you are gone
I turn to stone
Turn to stone, when you comin' home?
I can't go on

C
The dying embers of the night
(A fire that slowly fades to dawn)
Still glow upon the wall so bright
(Turning turning)
The tired streets that hide away
(From here to ev'rywhere they go)
Roll past my door into the day
(In my blue world.)
I turn to stone when you are gone
I turn to stone
Turn to stone, when you comin' home?
I can't go on

G# Yes I'm turning to stone
'Cause you ain't comin' home
C# Why ain't you comin' home
If I'm turning to stone
A# You've been gone for so long
And I can't carry on

To everything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for every purpose, under heaven

A time to be born, a time to die
A time to plant, a time to reap
A time to kill, a time to heal
A time to laugh, a time to weep

To everything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for every purpose, under heaven

A time to build up, a time to break down
A time to dance, a time to mourn
A time to cast away stones
A time to gather stones together

To everything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for every purpose, under heaven

A time of love, a time of hate
A time of war, a time of peace
A time you may embrace
a time to refrain from embracing

To everything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for every purpose, under heaven

A time to gain, a time to lose
A time to rend, a time to sew
A time for love, a time for hate
A time for peace, I swear its not too late

The Very Thought Of You
Ray Noble

The very thought of you and I forget to do
The little ordinary things that everyone ought to do
I'm living in a kind of daydream
I'm happy as a king
And foolish though it may seem
To me that's everything

The mere idea of you, the longing here for you
You'll never know how slow the moments go till I'm near to you

I see your face in every flower
Your eyes in stars above
It's just the thought of you
The very thought of you, my love

http://stewartgreenhill.com/ukulele
I heard you on the wireless back in Fifty Two
Lying awake intently tuning in on you
If I was young it didn't stop you coming through
Oh-a oh

They took the credit for your second symphony
Rewritten by machine on new technology
and now I understand the problems you can see
Oh-a oh I met your children
Oh-a oh What did you tell them?

And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go
Oh-a oh You were the first one
Oh-a oh You were the last one

In my mind and in my car
we can't rewind we've gone to far
Oh-a-aho oh

Where's that jolly jumbuck that you've got in your tucker bag.

You'll never catch me alive said he
And his ghost may be heard as you pass by that billabong

We Can't Be Friends
Lorene Scafaria

I wanna pick you up, I don't care what time
I wanna drive real fast to some place in town;
I wanna stress you out;
I wanna make things hard;
I wanna take your hand;
I wanna leave this bar;
I wanna wake you up on a driving train
that led it's tracks down inside my brain

I wanna hear your band;
I wanna give it advice;
I wanna meet your girlfriend, she sounds nice;
I wanna take you home;
I wanna feel my age;
I wanna freak you out on a different stage;
I wanna show my teeth;
I wanna keep you fed;
I wanna get you drunk and let it go to your head
So I guess this means we can't be friends

I wanna be unique;
I wanna be your kind;
I wanna make you hate me then change your mind;
I wanna wear a skirt;
I wanna make mistakes;
I wanna kill you first then take your name;
I wanna tear you apart;
I wanna make your bed;
I wanna break your heart;
I wanna break your head
So I guess this means we can't be friends

Yeah I guess this means we can't be friends
Yeah I guess this means we can't be friends

Walking 'round the room singing Stormy Weather

At fifty seven Mount Pleasant Street

Now it's the same room but everything's different

You can fight the sleep but not the dream

Things ain't cooking in my kitchen
Strange affliction wash over me
Julius Caesar and the Roman Empire
Couldn't conquer the blue sky-y

Everywhere you go you always take the weather with you

The weather with you

There's a small boat made of china
Going nowhere on the mantelpiece
Do I lie like a lounge room lizard
Or do I sing like a bird released

Everywhere you go you always take the weather with you

The weather with you

When I Grow Up
Tim Minchin

When I grow up
I will be tall enough to reach the branches
That I need to reach to climb the trees
You get to climb when you're grown up

And when I grow up
I will be smart enough to answer all the questions
That you need to know the answers to
Before you're grown up

And when I grow up
I will eat sweets every day on the way to work
And I will go to bed late every night
And I will wake up when the sun comes up
And I will watch cartoons until my eyes go square
And I won't care 'cos I'll be all grown up
When I grow up

And when I grow up (when I grow up) (when I grow up)
I will be strong enough to carry all the heavy things
You have to haul around with you
When you're a grown up

And when I grow up (when I grow up) (when I grow up)
I will be brave enough to fight the creatures that you have to fight

Beneath the bed each night
To be a grown up

And when I grow up (when I grow up)
I will have treats every day
And I'll play with things that mum pretends that mum's don't think are fun

And when I grow up (when I grow up)
I will spend all day just lying in the sun
And I won't burn 'cos I'll be all grown up

When You Smile
Ralph MacDonald / William Salter (sung by Shirley Bassey)

When you smile I can see
You were born, born for me
And for me you will be do or die
Oh, baby, let me hold you
You make me want to hold you
When you smile, smile

When you smile I can see
There is hope, hope for me
And for you if you know what I mean
I'm gonna sock it to you
I'm gonna rock it to you

When you smile I can see
You and me, me and you
There is love in your eyes when you smile
Oh, baby let me love you
You gotta let me love you
When you smile, smile

White Flag
Dido

I know you think that I shouldn't still love you
I'll tell you that
but if I didn't say it, well I'd still have felt it
where's the sense in that?

I promise I'm not trying to make your life harder
or return to where we were

but I will go down with this ship
and I won't put my hands up and surrender
there will be no white flag above my door
I'm in love and always will be

I know I left too much mess
and destruction to come back again
and I cause nothing but trouble
I understand if you can't talk to me again

and if you live by the rules of it's over
then I'm sure that that makes sense

but I will go down with this ship
and I won't put my hands up and surrender
there will be no white flag above my door
I'm in love and always will be

and when we meet, which I'm sure we will
all that was then, will be there still
I'll let it pass, and hold my tongue
and you will think that I've moved on

I will go down with this ship
and I won't put my hands up and surrender
there will be no white flag above my door
I'm in love and always will be
White Wine In The Sun
Tim Minchin

F
I really like Christmas
It's sentimental I know
But I just really like it
I am hardly religious
I'd rather break bread with Dawkins than Desmond Tutu
To be honest
And yes I have all of the usual objections to consumerism
The commercialisation of an ancient religion
To the westernisation of a dead Palestinian
Press-ganged into selling Playstations and beer
But I still really like it
F
I'm looking forward to Christmas
Though I'm not expecting
A visit from Jesus

Chorus
C
I'll be seeing my dad
My brother and sisters, my gran and my mum
They'll be drinking white wine in the sun
I'll be seeing my dad
My brother and sisters, my gran and my mum
They'll be drinking white wine in the sun
F
I don't go in for ancient wisdom
I dont believe just cos ideas are tenacious
It means they are worthy
F
I get freaked out by churches
Some of the hymns that they sing have nice chords
But the lyrics are dodgy
And yes I have all of the usual objections to miseducation

Of children who in tax exempt institutions are taught
to externalise blame
And to feel ashamed and to judge things as plain right or wrong
But I quite like the songs
F
I'm not expecting big presents
The old combination of socks, jocks and chocolate
Is just fine by me

Chorus
F
Cause I'll be seeing my dad
My brother and sisters, my gran and my mum
They'll be drinking white wine in the sun
I'll be seeing my dad
My brother and sisters, my gran and my mum
They'll be drinking white wine in the sun
Bb6
And you my baby girl
My jetlagged infant daughter
You'll be handed round the room
Like a puppy at a primary school

Bb6
And you won't understand
But you will learn some day
That wherever you are and whatever you face
These are the people
Who'll make you feel safe in this world
My sweet blue-eyed girl
Bb6
And if my baby girl
When you're twenty one or thirty one
And Christmas comes around
And you find yourself nine thousand miles from home

Bb6 F Bb6 C
You'll know whatever comes
Your brothers and sisters and me and your mum.
Will be waiting for you in the sun
Bb9 C
Whenever you come
Your brothers and sisters
Your aunts and your uncles
Your grandparents, cousins

http://stewartgreenhill.com/ukulele
And me and your mum
Will be waiting for you in the sun
Drinking white wine in the sun
Darling when christmas comes
Will be waiting for you in the sun
Drinking white wine in the sun
Waiting for you
Waiting for you
I really like Christmas
It's sentimental I know

Wild Mountain Thyme
Francis McPeake

O the summer time is coming
And the trees are sweetly blooming
And wild mountain thyme
Grows around the blooming heather
Will you go, lassie, go?

And we'll all go together
To pull wild mountain thyme
All around the blooming heather
Will you go, lassie, go?

I will build my love a bower
By yon clear crystal fountain
And round it I will pile
All the flowers of the mountain
Will you go, lassie, go?

And we'll all go together
To pull wild mountain thyme
All around the blooming heather
Will you go, lassie, go?

I will range through the wilds
And the deep land so dreary
And return with the spoils
To the bower o' my dearie
Will you go, lassie, go?

And we'll all go together
To pull wild mountain thyme
All around the blooming heather
Will you go, lassie, go?

If my true love she'll not come
Then I'll surely find another
To pull wild mountain thyme
All around the blooming heather

Lennon/McCartney

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me.
Oh, yesterday came suddenly

Why she had to go
I don't know she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

You Never Can Tell (C'est La Vie)
Chuck Berry

C5
It was a teenage wedding and the old folks wished them well
You could see that Pierre did truly love the mademoiselle
And now the young monsieur and madame have rung the chapel bell,
"C'est la vie", say the old folks, it goes to show you never can tell

They furnished off an apartment with a two room Roebuck sale
The coolerator was crammed with TV dinners and ginger ale,
But when Pierre found work, the little money comin' worked out well
"C'est la vie", say the old folks, it goes to show you never can tell

They had a hi-fi phono, boy, did they let it blast
Seven hundred little records, all rock, rhythm and jazz
But when the sun went down, the rapid tempo of the music fell
"C'est la vie", say the old folks, it goes to show you never can tell

They bought a souped-up jitney, 'twas a cherry red '53,
They drove it down to Orleans to celebrate the anniversary
It was there that Pierre was wedded to the lovely mademoiselle
"C'est la vie", say the old folks, it goes to show you never can tell

You Weren't In Love With Me
Billy Field

C
Standing on the outside
I don't know where I'm going to
But I do know just one thing
And that is it's over with you

I did not think I could go on
I was caught in mem'ries
And dreams I should have won

F
Blind Freddy knew that
Blind man could see
Am
I was in love with you

C
But you weren't in love with me

C
Suppose I'll have to keep it
Keep it inside, I don't know why
Well I know, that won't change it
But baby, it helps if I cry

C
Blind Freddy knew that
Blind man could see
Am
I was in love with you

C
But you weren't in love with me

C
It used to be so perfect (so perfect)
It used to be so perfect (so perfect)

You're True
Eddie Vedder

Lonely cliffs and water - falls
If no one sees me, I'm not here at all
You could be the one to liberate me from the sun
So please, give the moon to me
I'd be indebted to ya
Walk the dog and pay rent to ya
If you say the word, I'm yours
Oh I'm sure
Nothing ever goes my way
But with you here, that all will change
Suddenly I'm a new born child
And I'm ready to live a while with you
So much left to do
And so I thank you dearly
Open up, she said
Be you, be true
Now I'm at home in my own skin
I'm like an ocean's tide come in
Yes you could be the one to hold my hand
Beneath the full moon
You could be the one
You're true, you're true
You're true
You're true
You're true
