

# Undecided

## Sid Robin and Charlie Shavers

**G**

First you say you do  
And then you don't

**Gdim**

And then you say you will  
And then you won't

**Am**

You're undecided now

**Adim**

**G**

So what are you gonna do?

**G**

Now you want to play  
And then it's no

**Gdim**

And when you say you'll stay  
That's when you go

**Am**

You're undecided now

**Adim**

**G**

So what are you gonna do?

**Dm7**

**G7**

I've been sitting on a fence

**Dm7**

**G7**

And it doesn't make much sense

**CM7**

**Am7**

'Cause you keep me in suspense

**CM7**

**Am7**

And you know it

**Em7**

**A9**

Then you promise to return

**Em7**

When you don't

**A9**

I really burn

**D7**

Well, I guess I'll never learn

**Daug**

And I show it

**G**

If you've got a heart  
And if you're kind

**Gdim**

Then don't keep us apart  
Make up your mind

**Am**

You're undecided now

**Adim**

**G**

So what are you gonna do?

**A9**

**Adim**

**Am**

**Am7**

**CM7**

**D7**

**Daug**

**Dm7**

**Em7**

**G**

**G7**
